191101 Livi® Ultra Premium Facial Tissue	White	2	Plain	8.37" x 8.07"	90 Sheets	30 boxes

Ultra premium tissue and towel products with at-home like quality and comfort when only the best will do.

The Livi Ultra Premium family of products is designed for the most discerning customers who demand tissue and towel products with the same high quality as those used at home. These products will exceed your customer's highest needs for restroom, breakroom and office solutions. Livi Ultra Premium tissue paper products are derived from sustainable RapidlyRenewable Fiber (RRF)* and contribute to an environmentally friendly building operation while meeting the requirements of the U.S. Green Building Council (USGBC), LEED standards.** All products in this line carry the Programme for the Endorsement of Forest Certification (PEFC)*** which certifies these products are made from sustainably managed forests and controlled sources.

* The RRF (rapidly renewable fiber) logo is a promotional mark of Solaris Paper, Inc. and does not denote any independent or professional environmental certification(s) or certifying organization. Solaris Paper AFH towel and tissue products contain a 20% - 80% virgin rapidly renewable base fiber.

** Rapidly Renewable Fiber (RRF) meets the requirements of the U.S. Green Building Council's LEED standards. Reference EQc7 of LEED EBOM 2016 (v4) and IEQc3.3 of LEED EBOM 2009 (v3). The USGBC logo is a registered trademark of the United States Green Building Council.

*** PEFC is a worldwide certification implemented through two linked processes:

Sustainable Forest Management Certification – assures that forests are managed in line with challenging environmental, social and economic requirements.

Chain of Custody Certification – tracks forest-based products from sustainable sources to the final product. It demonstrates that each step of the supply chain is closely monitored through independent auditing to ensure that unsustainable sources are excluded.
